

June 2009 Hospitality Bulletin from Hospitality Chairperson, Nanno Rose!

Yes, we've changed our system. No teams!

In the interests of having our schedule more flexible, so **everyone** can spot a date they can contribute without having to worry about which TEAM is responsible for that date-- I'm boldly abandoning our team concept, at least for the summer, effective June 7th. We'll see how it works.

SIGN UP on ANY date!

Look over the calendar at KUUF service, find a date that suits you, sign up, recruit cohorts, organize yourselves, and someone take the key for the next week. (Remember that each week we need two stalwart folk to put away tables for the set up, and two friendly folk to greet, and at least four for our potluck Sundays.)

Thank you!

I sincerely thank all who have regularly helped with hospitality! Hope this change improves our system. As usual -- do contact me with any suggestions or supply needs. -- Nanno Rose
